

VEKSØ wood types – guide to choice of wood

Mahogany

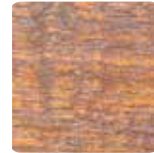

New, untreated

Aged, approx.
6 months

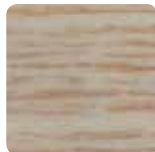

Aged, approx.
1 year

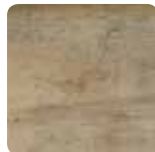

*Oiled

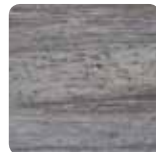

Ash

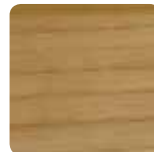

New, untreated

Aged, approx.
6 months

Aged, approx.
1 year

*Oiled

Pine, pressure impregnated

New, pressure
impregnated

Aged, approx.
6 months

Aged, approx.
5 years

**To maintain the appearance of oiled wood, it is important that VEKSØ's maintenance instructions for oil-treated wood are observed. Oiled wood will, however, still weather to a certain extent.*
